

Position: Management Consultant (Full-time)

A2F Consulting is a boutique consulting firm providing advisory services in economic analyses, program evaluation, organizational consulting, risk management analyses & software development. Our clients consist primarily of international development organizations and national development banks, private organizations, U.S., and foreign government entities.

We are looking for a **Management Consultant** with at least 2 years of relevant experience in a similar occupation to expand our team in the US or Germany.

RESPONSIBILITIES & TASKS

- Provide advisory services to public and private sector clients on strategy design, benchmarking, process optimization, financial analysis, market assessments, etc.
- Contribute and/or lead to due diligence reviews and institutional diagnostics and make recommendations for improvement
- Write project reports and prepare documentation to present findings to clients
- Proactively support business development including writing technical proposals
- Support and participate in and/or lead projects on and off-site
- Ability and willingness to travel internationally (up to 25% of time) is required

QUALIFICATIONS

- A graduate degree in Finance/Economics or relevant field from an accredited university
- Minimum of 2-5 years of relevant work experience in management consulting or similar environment
- Statistical modeling and/or financial modeling skills would be a plus
- Excellent analytical and conceptual skills
- Ability to work under pressure and strict deadlines
- Outstanding client management and interpersonal skills
- Excellent oral and written communication in English.
- Intellectual curiosity and willingness to learn
- Fluency in French or Spanish (oral and written) would be a plus

Candidates must be legally eligible to work in the United States. **Please send your application letter with detailed CV, references, and salary expectations to recruit@a2f-c.com.** Only shortlisted candidates will be contacted.
